Water system for Baan Khun Tae Boarding House!

Welcome to Baan Khun Tae Boarding House, in Chiang Mai, Chom Thong

The community had laid the foundation before we arrived!

Involving community members in the installation process provides us with the opportunity to educate them on the importance of clean water and the maintenance of the water system.

Working together to lift it upwards

Adding the finishing touch

If well maintained, this water system tower can last for at least 10 years.
