

Water system for Phadanluang Boarding House!

The foundation has been laid.

Starting the installation process.

With their small helping hands ☺

Variety of tools for the water system

Involving community members in the installation process

Students are excited to help out with simple task, very active participation!

Children giving us moral support by playing nearby

Our beneficiaries and their happy faces.

Demonstrating how to use

Stay very close to their new excitement

If well maintained, this water system tower can last for at least 10 years.

Thank you for your support! ☺
